📅 November 18th, 2012

Thursday November 22 2012 16h00 (GMT)

Carl teleports into a performance as part of the first Audioblast Festival November 22 2012. The festival takes place in 2 different cities and venues : Nantes / FR - Plateforme Intermedia (La Fabrique) and Pikel Festival in Bergen/Norway. Carl will be in Tokyo and will perform online, with his music also projected into the two spaces. Thus people anywhere in the world with an internet connection, can listen along with those in Nantes and Bergen.

Carl's performance, which will be at 6PM in the local European venues, will be for example at the following times depending on your location:

GMT: 16h00
Japan 25h00 (Nov 23 01h00)
USA East Coast 11h00
USA West Coast 08h00

All the live performance will be played on a quadriphonic sound system in both country. Audio Blast Festival is curated by Julien Ottavi and organised by APO33.

Direct link for VLC/Mplayer etc. : <http://apo33.info:8000/audioblast.ogg>

Transmission begins: Thursday 22/11 - Saturday 24/11 from 10:00 to 20:00.
